

School Meal Schedule

Curlew School will be delivering these meals twice a week on Mondays and Thursdays. This will be done by either a school bus or our school car to the designated spots and times listed below. Please bring something to carry your lunches home in and remember to allow a five minute leeway for delivery. In order to receive the meals, you and your student(s) will need to be at your designated spot at the scheduled time. If at any point you would like to sign-up for this service or cancel it, please contact the office at (509) 779-4931 or email at amykjolseth@curlew.wednet.edu.
